RESUBMISSION

OF

REPLACEMENT SHEET DRAWINGS

Dear Sir:

Attached are copies of replacement sheet drawings for FIG. 4, FIG. 5 and FIG. 6, which were previously submitted to the Patent Office on June 20, 2008.

REMARKS

Applicants respectfully thank the Examiner for the new Notice of Allowability dated July 3, 2008. In a telephone conversation of July 9, 2008 with the Examiner, Applicants respectfully pointed out to the Examiner that box number 5 of the Notice of Allowability was checked, which says "5. CORRECTED DRAWINGS (as 'replacement sheets' must be submitted)". However, no Notice of Draftperson's Patent Drawing Review PTO-948 was attached to the Notice of Allowability, and there was no other indication of any defects in the most recent replacement sheet drawings previously submitted on June 20, 2008.

In the same telephone conversation of July 9, 2008 with the Examiner, the Examiner said that although box number 5 in the Notice of Allowability was checked, the submission of replacement drawings in response to box number 5 was optional, and that Applicants may optionally use the recently submitted drawings of June 20, 2008 to satisfy the requirement of box number 5. Since the Examiner has not indicated, written or orally, any specific problems with the recently submitted drawings of June 20, 2008, and no problems are readily apparent in the recently submitted drawings of June 20, 2008, Applicants will simply resubmit the recently submitted drawings of June 20, 2008 to satisfy all requirements of box number 5.

Applicants hereby attach and resubmit the recently submitted drawings of June 20, 2008 to satisfy all requirements of box number 5 of the Notice of Allowability dated July 3, 2008. No new matter is introduced.

Respectfully submitted,

Hickman Palermo Truong & Becker LLP
